To: all participants in the National Milk Records plc Executive Bonus Plan 2021 adopted on 10 December 2020 (the "**Bonus Plan**")

Dear Participant,

Recommended Acquisition of National Milk Records plc by Associated British Foods plc ("ABF")

1. Background

As you will be aware, on 6 June 2023, the boards of directors of ABF and National Milk Records plc ("**NMR**") announced they had agreed the terms of a recommended cash acquisition by ABF pursuant to which AB Agri Limited ("**AB Agri**") (an indirect wholly-owned subsidiary of ABF) will acquire the entire issued and to be issued ordinary share capital of NMR (the "**Acquisition**").

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement (the "**Scheme**") under Part 26 of the Companies Act 2006. The Scheme will require

the approval of NMR Shareholders and the sanction of the High Court of Justice of England and Wales (the "**Court**").

The Court Hearing to sanction the Scheme will be held on a date (**D**) to be determined following the satisfaction or waiver of Conditions 5.1 and 5.2 set out in Part A of Part III (*Conditions and Further Terms of the Scheme*) of the Scheme Document ("**Court Sanction**") and the Scheme is expected to take effect on D+2 Business Days (the "**Effective Date**"), which is when the Acquisition will complete. The key dates under the current expected timetable are set out at Appendix 1 to this Letter. Please note that these dates are indicative only and are subject to change.

More information on the Scheme, including the expected timetable, is contained in the Scheme Document which was published on 30 June 2023 and which is available on NMR's website at <https://www.nmr.co.uk/investors/offer-for-nmr> and on ABF's website at <https://www.abf.co.uk/investors/offer-for-national-milk-records-plc>. Other documents related to the Acquisition (including a copy of this Letter) are also available on NMR's and ABF's websites.

Capitalised terms in this letter (the "**Letter**") have the same meanings as in the Scheme Document, unless otherwise defined in this Letter.

The purpose of this Letter is to explain the effect that the Acquisition will have on the options to acquire NMR Shares granted under the Bonus Plan ("**Options**"), and to set out the choices available to you.

Please note that ABF reserves the right to elect, with the consent of the Panel, to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. If this happens, you will receive a further communication explaining the impact on your Options.

2. **The terms of the Acquisition**

Under the Acquisition, Scheme Shareholders will be entitled to receive the sum of 215 pence in cash for each NMR Share held at the Scheme Record Time. Your attention is drawn to the full terms of the Acquisition set out or referred to in the Scheme Document. This Letter should be read in conjunction with the Scheme Document.

3. **Effect of the Acquisition on your Options**

All your Options are already fully vested and exercisable. The remuneration committee of the board of directors of NMR has determined that the period in which the Options can be exercised has been extended until the Court Sanction but that the Options will cease to be exercisable (and will lapse) on the Effective Date.

If you wish to exercise Options now, you should contact Debbie Thomas-Hoeller, HR Director of NMR at Fox Talbot House, Greenways Business Park, Chippenham, SN15 1BN. Alternatively you may prefer to accept the Exercise Proposal in respect of all your Options, as described in paragraph 4 below, by completing the accompanying Form of Election.

The NMR Shares to which you will become entitled on the exercise of your Options are referred to in this Letter as your "**Option Shares**".

4. **The Exercise Proposal**

4.1 **What is being proposed**

The proposal (the "**Exercise Proposal**") being made to you is that you exercise all of your Options in advance of and conditionally on Court Sanction. If you accept the Exercise Proposal your Option Shares will be automatically acquired by AB Agri on the Effective Date under the terms of the Scheme.

The exercise will be on a 'cashless' basis which means that you will **not** have to make an

upfront cash payment to NMR in order to exercise your Options. Under the Exercise Proposal you will irrevocably undertake to pay the cash exercise price due on the exercise of your Options (and any liability to income tax and employee national insurance contributions) from the cash consideration due to you as further described in paragraph 4.2 below.

If you accept the Exercise Proposal, you will receive 215 pence in cash (less deductions for the exercise price and any liability to income tax and employee national insurance contributions) (your "**Cash Consideration**") for each Option Share acquired by AB Agri on the Effective Date, which is the same consideration due to all NMR Shareholders under the Scheme.

4.2 Exercise Price and Tax Withholdings

The exercise price payable as referred to in paragraph 4.1 above, together with any applicable withholdings for income tax and employee national insurance contributions will be deducted from your Cash Consideration.

Please note that if you exercise your Options otherwise than under the Exercise Proposal, it may not be possible to fund your exercise price and any liability to income tax and employee national insurance contributions from your Cash Consideration and you will need to arrange for the payment of these amounts before you exercise your Options.

4.3 How to accept the Exercise Proposal

You can accept the Exercise Proposal by completing the accompanying Form of Election and returning it to Human Resources either by:

- posting it to Debbie Thomas-Hoeller, HR Director of NMR at Fox Talbot House, Greenways Business Park, Chippenham, SN15 1BN; or
- scanning each page of the Form of Election and emailing the completed Form of Election to [REDACTED] with 'Executive Bonus Plan Form of Election' in the subject line.

If you wish to accept the Exercise Proposal, please follow the steps outlined above as soon as possible and, in any event, to ensure that your completed Form of Election is received **no later than 5.00 pm on 3 August 2023** (the "**Exercise Proposal Deadline**"). Forms of Election received beyond this deadline may not be accepted.

The exercise of your Options under the Exercise Proposal will be conditional upon the sanction of the Scheme by the Court, and will not take effect until Court Sanction. Please read the explanatory notes and the terms and conditions printed on the accompanying Form of Election carefully before you complete it. If the Court does not sanction the Scheme and the Acquisition does not proceed, your acceptance of the Exercise Proposal will be of no effect, and your Options will remain in place on their existing terms.

You will receive your Cash Consideration (less deductions as referred to in paragraph 4.2 above) through your local payroll as soon as practicable following the receipt by NMR of the cash consideration from AB Agri.

4.4 Alternatives to the Exercise Proposal

You may choose to exercise your Options outside the Exercise Proposal. If you exercise your Options before the Scheme Record Time, and you still hold your Option Shares at the Scheme Record Time, your Option Shares will be automatically acquired under the Scheme. If you exercise after the Scheme Record Time but before the Options lapse, your Option Shares will be automatically acquired by AB Agri pursuant to the amended articles of association to be approved by NMR Shareholders as part of the Scheme. This will mean you will receive the same 215 pence per Option Share cash consideration as if

you had accepted the Exercise Proposal. However, in these circumstances, you will have to make your own arrangements with NMR to pay the exercise price and any liability to income tax and employee national insurance contributions due on the exercise of your Options (i.e. cashless exercise of your Options will not be available).

If you wish to exercise your Options outside the Exercise Proposal, you should not complete or return the accompanying Form of Election, but instead contact Debbie Thomas-Hoeller, HR Director of NMR by email at [REDACTED] at least one week before the date on which you wish to exercise.

5. Lapse of your Options

You are reminded that if you do not exercise your options by the Effective Date, your Options will cease to be exercisable and will lapse on the Effective Date.

It is important therefore that you accept the Exercise Proposal or otherwise exercise your Options prior to the Effective Date to avoid them being worthless.

6. Tax Implications of Exercising your Options

A summary of the tax implications of exercising your Options by accepting the Exercise Proposal is set out in Appendix 2 to this Letter. **If you are in any doubt as to your personal tax position, you should consult an appropriate independent professional tax adviser without delay.**

7. NMR Directors' Recommendation

The Directors of NMR (the "**NMR Directors**"), who have been so advised by Canaccord Genuity Limited ("**Canaccord Genuity**") as to the financial terms of the Exercise Proposal, consider the Exercise Proposal set out in this Letter to be fair and reasonable in the context of the Acquisition. In providing advice to the NMR Directors, Canaccord Genuity has taken into account the commercial assessments of the NMR Directors. Canaccord Genuity is providing independent financial advice to the NMR Directors for the purposes of Rule 15.2 of the Code.

The NMR Directors recommend that you exercise your Options in advance of, and conditionally on, Court Sanction by accepting the Exercise Proposal (in accordance with paragraphs 4.1 – 4.3 of this Letter) so that you do not have to make an upfront cash payment to NMR in respect of such exercise, as those NMR Directors who are participants under the Bonus Plan intend to do in respect of the Options held by them.

8. General

If you have any queries in relation to the Letter or how to complete the accompanying Form of Election, you should contact Debbie Thomas-Hoeller, HR Director of NMR by email at [REDACTED]. Please note that none of the officers or employees of NMR or ABF will be able to advise you on the course of action that you should take in relation to your Options or in relation to your financial or tax position.

Yours faithfully

Trevor Lloyd

APPENDIX 2

UK tax implications of the exercise of Options and disposal of Option Shares

Except to the extent indicated below, this Appendix only addresses the tax position for a person who is resident and domiciled in the United Kingdom for tax purposes at the date of grant and exercise of the Options granted under the Bonus Plan and at all other material times. The information contained in this Appendix is intended to assist you in your choice, but it is not a full description of all possible taxation implications or of all the circumstances in which a taxation liability may occur. If you are in any doubt as to your position or if you are not resident and domiciled in the United Kingdom, you should consult an appropriate independent professional tax adviser.

Full details of the exercise of your Options will be given to HM Revenue & Customs ("HMRC") by NMR and should be reported by you on your self-assessment tax return, if you are required to complete a tax return.

Tax implications of exercising your Options by accepting the Exercise Proposal

If you exercise your Options by accepting the Exercise Proposal and are a UK taxpayer, then you will be liable to income tax and employee national insurance contributions on the value of your Option Shares which you receive following exercise less the exercise price per share payable under your Options.

Any income tax and employee national insurance contributions arising on the exercise of your Options will be deducted from the cash consideration due to you for the acquisition of your Option Shares under the terms of the Scheme (together with payment of the exercise price in respect of your Options) and your tax liability will be paid to HMRC by NMR (or your employer, if different) under the UK Pay-As-You-Earn withholding/payroll system. You do not need to take any action in this respect.

Tax implications of disposing of your Option Shares

Where you acquire shares on the same day through the exercise of different options, all the shares are treated as acquired under one transaction. As a result, the average cost is taken into account in any disposal calculation under the share identification rules. The averaging of costs can lead to unintended consequences where some of the shares are acquired through a tax-advantaged scheme (such as a CSOP). This is because the cost of tax-advantaged shares may be lower than the cost of other shares acquired on the same day.

It is possible to elect to treat approved share option scheme shares as acquired by a separate transaction from other shares and as disposed of after other shares on the same day. The purpose of the election is to allow an individual to reduce the gain that would otherwise arise on disposal of shares acquired on the same day. You need to take tax advice on whether making an election may be to your advantage.

THIS FORM IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION. If you are in any doubt as to the action you should take, you are recommended to seek your own personal independent financial advice immediately from your stockbroker, bank manager, solicitor, accountant or other independent financial adviser authorised under the Financial Services and Markets Act 2000 (as amended), if you are resident in the United Kingdom, or, if not, from another appropriately authorised independent financial adviser.
