

# First time using the new Herd Companion

Log in at [www.herdcompanion.co.uk](http://www.herdcompanion.co.uk).

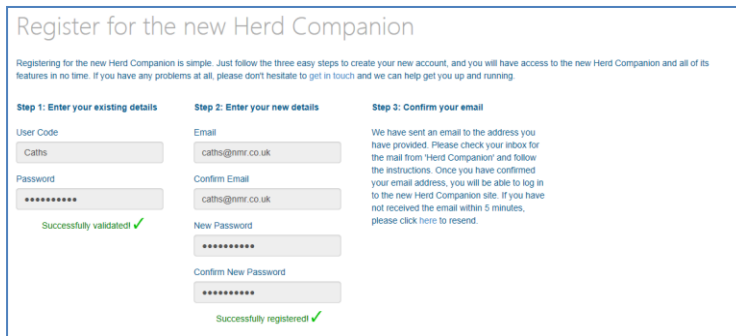

Click on New to our website? “CLICK HERE”

This will take you to the Register for the new Herd Companion page:

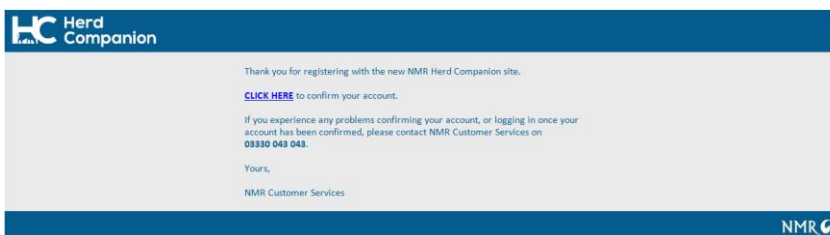

Type in your existing Herd Companion user code and password. If you don't have one, call Customer Services on 03330 043 043.

Click Continue and you will be asked to set up a new account:

Click Register when all the boxes have been filled in.

Now log in to your email account for the email address you have just supplied.

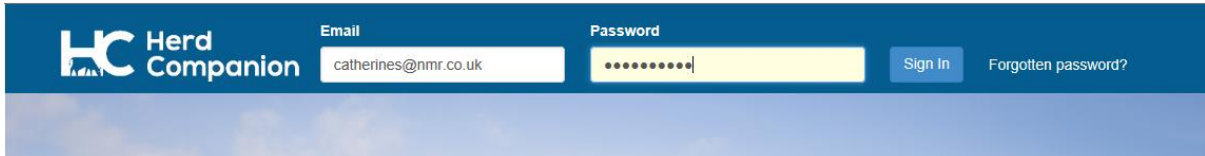

Click on the blue link in the email as indicated by the words “CLICK HERE”.

This will open up a new window in your internet browser:

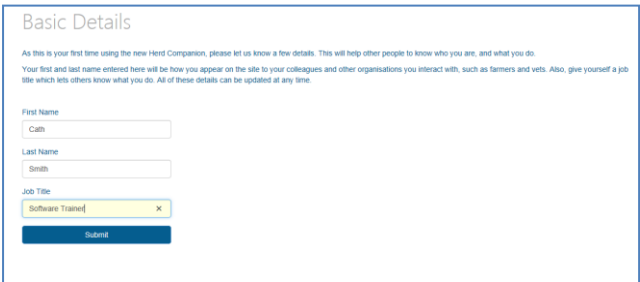

### Herd Companion

Click to log in where indicated by the blue “here”. It will take you back to the opening screen:

Log in with your new details which will then take you to a basic details page the very first time. Fill in these boxes.

Click Submit when ready.

You will now see a list of all the herds assigned to your login:

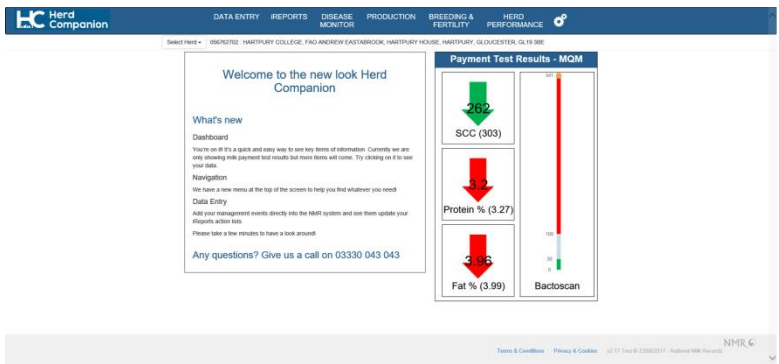

Show  entries Search:

Herd Number	Name / Address	Last Recording Date
012345601	A&B FARMERS LTD	01/05/2017

You can use a search facility to find the exact herd you are looking for:

Click in the herd number or name and you will see the home page:

Any questions? Please contact NMR Software Support on 03330 043 043.
